An Update from our Chair – Nate Barr, PT, DPT

Happy Fall season everyone. We hope you all had a good summer and are ready to get back into the swing of things. We have some exciting upcoming events to share with the district:

October: PPTA Advocacy Fund Fundraiser 5k

We had a great turnout last year and hope to make this year even bigger. Anyone interested in helping to organize or willing to make donations please contact natebarrpt@yahoo.com or blhutchinson@myphysio.com.

Monthly Meetings:

We have some great speakers and topics lined up for our fall meeting contact hours. Stay tuned to the website and keep an eye out for emails for more information in the coming months for details.

Annual PPTA Conference:

We are the hosting district again this year at Seven Springs for Annual PPTA Conference. We hope to have a great showing of our district in attendance this year and look forward to the networking and bonding we have at the conference. So please be sure to sign up at PPTA.ORG for your early bird registration.

As always, we are looking for more volunteers within the district. If any of you has interest in helping in any capacity be sure to contact us and say hello at our meetings.

Please contact Nate Barr at natebarrpt@yahoo.com for any questions or for more information.

Nominating Committee–Teo Heckman, PT, DPT

First off, I hope everyone had a good summer. There were no elections held for positions in the WestCentral District over the most recent election period. As our profession continues to progress and grow, we are continuing to grow our district as well. Please keep in mind we will need people to lead our district into the future. We are hoping to add another member or two to the Nominating Committee in order to provide continuity and ease of transitioning within the district. We ask you to please keep an eye out for members and colleagues who would be able and willing to help serve the district. Thank you.
